Oxfordshire Golf Captains $4\frac{1}{2}$ = v = $5\frac{1}{2}$ Sussex Golf Captains

Oxfordshire Golf Captains =v= Sussex Golf Captains
At the Henley Golf Club at 13h00 on Thursday, 1st June 2017

MATCH REPORT

A gloriously warm and sunny summer day greeted the arrival at Henley golf club of the two teams of the Sussex and Oxfordshire golf captains, and that weather held firm throughout the day.

Over lunch old friendships were quickly renewed and new ones immediately forged and with constant banter back and forth the 10 matches soon trudged their way around the wonderfully presented golf course. The greens were quick and true and were a tribute to the Henley team who had prepared them.

As the matches progressed to the 18th green there were many ups and downs and trials and tribulations, with results first going one way and then the other. Eventually the visitors emerged victorious from a hard fought but amicable battle by $5\frac{1}{2}$ matches to $4\frac{1}{2}$, with 5 of the 10 matches going to the 18th green.

With the weather still holding, a superb dinner was enjoyed by all in the clubhouse, from where the famous picturesque views up the 1st and 18th holes were enjoyed by everyone as the evening shadows began to lengthen.

As our guests departed for the long journey home there was unanimous accord that this had been yet another hugely successful day

L to R: Ian Allison -Captain of Captains Oxon
Mark Terry - Sussex Secretary
Brian Street- Captain of Captains Sussex
Paul Goddard - Captain of Henley GC 2017
