

THE OXFORDSHIRE GOLF CAPTAINS

MATCH SECRETARY'S REPORT FOR COMMITTEE MEETING AT KIRTLINGTON GOLF CLUB ON WEDNESDAY, 7th SEPTEMBER, 2016

(1) 2016 FIXTURES

Having already brought home the Four Counties trophy from the Chiltern Forest golf club in July, our team have now also triumphed in the Queen's Jubilee trophy at Ealing golf club with another clear win. I'll let you decide whether this was down to inspiring team leadership skills, a canny selection of the biggest bunch of bandits available or the unsurpassed support of our President and his side-kick, Mr Derek Honey.

The team was; our Captain, Ray Shaw (who was also the winner of the highest individual score), Danny Fois, Roger Mawle, Terry Killick, Arthur O'Connor, Keith Henley and John Rees.

Oxfordshire	202 points
Bedfordshire	199 points
Kent	198 points
Essex	184 points
London	183 points
Hampshire	170 points
Sussex	164 points

The match season now has only three matches remaining, having played 17 of our 20 games, thus far we have WON 7, HALVED 2 and LOST 8 - and I remain hopeful a strong finish with only the three Cornish matches still to be played.

(2) 2017 CALENDAR

I am now only waiting on the Cornwall match venues to complete our calendar. The reservation for the mixed event at Witney Lakes on the 28th June 2017 has been cancelled and re-scheduled to be played at North Oxford Golf Club on Wednesday, 2nd August 2017.

(3) THE CORNWALL AND BELGIUM TOURS

Not a lot to add except to say that the final balance for the Belgium trip has been gathered in and paid to the travel company, all the administration around API has been completed, an itinerary has been prepared and circulated and we are just about ready to go, French communists permitting!!

The list for Cornwall 2017 is open to applicants; let me know if you wish to attend please.
