

MATCH REPORT - LONDON 2017 (EALING)

A great days golf was had by all who played away against the London Captains on a beautifully manicured Ealing Golf Course.

In a match played away against a usually very competitive team from London Captains in almost unbroken sunshine, so the final outcome was always going to be close.

Captain Ian Allison waited nervously for the results to come in.

As each match came in it was clear from the start that it would go down to wire.

After the first two matches finished we were 2 -0 down. After five matches had been completed we were 3-2 up. We then went 5-3 up after after the eighth match ended.

A loss, to go level and then a win in the final match saw us take it 6-4.

The Captain was clearly delighted with confirmation of the final result and went on to celebrate with yet another glass of vino.

One memorable moment worth a mention was the 192 yard par three 5th hole.

London Captain Richard Kemp knocked his tee shot to 3 feet from the pin.

Duncan Currie, my partner, left his tee shot two feet from the edge of the green.

Duncan proceeded to chip in for two. Richard then tapped in his putt for the half.

That's the game of golf for you.

Before the Captains after dinner speech all the Captains stood in silence in respect of the passing of one of OGC Members Gordon Stroud, a true Gentleman. R.I.P Gordon
